WELCOME TO TODAY'S UPDATE

With information coming fast and furious it can be hard to keep up. Here are a few updates to help keep you informed.

SIX MONTH DEFERRED MORTGAGE PAYMENTS

I am sure you have heard that banks and other financial institutions are offering to defer mortgage payments for 6 months. We now have some more info that I'd like to share. This is a very good thing for people that have had a change in their incomes. And so far, I have seen great support from all financial institutions. But please be patient. Lenders are swamped with calls. [Find out more.](#)

UPDATE FROM GOLDMAN SACHS

There's a document floating around the internet from Goldman Sachs. Have you seen it? It's a private client summary regarding the coronavirus. [Have a read.](#) It's a summary but a bit lengthy. thanks Alex. this will really help many people. i have been getting many calls from people looking for some answers.. the media is absolutely brutal. i wish they could be banned from publishing all the negative inflammatory garbage.

my goal now is to keep the calm.. i want to get to get our message out to as many people as possible and as fast as possible.

if you have any ideas on how to better get the message and info out, i'm all ears. These next few days and next week are going to be critical.

thank you again.. and yes, i'm still working at this hour as i try to respond to all inquires..
